I (insert name of mare owner/agent*) authorise EquiNetics to carry out ARTIFICIAL INSEMINATION procedure on the above mare using **fresh / chilled / frozen** semen from the Stallion named (insert stallion name)

Stallion owner / agent contact details if not at EquiNetics - Name:
Ph: Email:

If an agent of the owner, I confirm that I have the express authority of the owner to authorise the Procedure/s

I am aware that rectal ultrasound procedures will be carried out on my mare at EquiNetics and that there are risks involved in this procedure. I am aware that the procedures involved in the preparation, ultra sound scanning, insemination and post insemination procedures are carried out by Jeffrey & Lee Ann Hall and that neither are qualified veterinarians. The attending veterinarian is Dr Steve Kelly.

I acknowledge that I have read the above and understood the nature and consequences of the Procedure. I understand that the Procedure may involve some risk and I give my consent for the Procedure to be performed.

I understand that it may take more than one cycle for a mare to conceive, particularly with frozen semen, and that some mares will not conceive at all. I undertake to pay all costs incurred in undertaking this Procedure including those associated with agistment and assume all risk and liability and understand that all costs must be paid in full prior to the mare being released.

Please circle as appropriate - The mare has / has not been rectally scanned before.

The board that I would prefer for the mare is ☐ Private ☐ Small Group (if available) If a mare cannot be easily caught or is aggressive to other mares she will be moved to a Private yard and charges for that type of board will become applicable .

I wish to be charged at ☐ Per cycle fee or ☐ Standard Fees as per fee listing

All horses must be vaccinated against Strangles. Although we do accept horses that are not **Hendra** vaccinated, it is our vets policy not to treat unvaccinated horses in some circumstances. By signing this form you are acknowledging this policy and that your horse may go untreated for certain conditions if our veterinarian refuses. You assume risk and responsibility.
